EXTENSION OF THE FOURTH COUNTRY PROGRAMME FOR MAURITIUS

Note by the Administrator

1. The fourth country programme for Mauritius was approved by the Governing Council at its June 1987 session and covered the period 1987 to 1991.

2. The Government has requested a one-year extension of the fourth country programme in order to synchronize the fifth cycle country programme with the new national development plan for 1993 to 1997 scheduled for publication towards the end of 1992.

3. During the one-year extension, the main objectives of the fourth country programme will remain valid, namely: improved economic management; promotion of industrial development; adaptation of education and training to the needs of the economy; and management and preservation of the environment.

4. The fifth country programme is scheduled for submission to the June 1993 session of the Governing Council.

5. The Administrator wishes to inform the Council that he has approved the extension of the fourth country programme for Mauritius for a period of one year beginning 1 January 1992.
